Sharyn Munro's
Mountain Tails
 The lives and loves of my animal neighbours

Welcome to life on the wild side!!

Sharyn Munro is the woman on the mountain and Mountain Tails is the truth about the wilder side of her life - that of her animal neighbours.

From quolls to kookaburras, snakes to kangaroos, frogs to koalas, Sharyn has encountered them all and been both educated, amused and infuriated by their behaviour.

After all, how would you feel if your neighbours ate your roses, solicited for sex on your front lawn or took over your shed?

So come and take a walk in Sharyn's gumboots, and discover the humorous, intriguing and sometimes poignant world of life on the wild side.
